2011 NKBA AWARDS

# BEST IN CLASS

COMPILED BY NATALIE BOIKE

The **National Kitchen & Bath Association** and *Mpls.St.Paul Magazine* are delighted to announce the first-place winners of the **2011 NKBA Awards**, and our editor's picks for most dramatic kitchen and bath makeovers. A complete listing of award recipients is available at [mspmag.com](http://mspmag.com).

FIRST PLACE

## LARGE KITCHEN

(MORE THAN 350 SQ. FT.)

► **DESIGNER**

David Heide, David Heide Design Studio, Minneapolis, 612-337-5060

► **DETAILS**

The kitchen is designed as the anchor to this open-plan Minneapolis condo, complete with views of the Mississippi River and downtown skyline. The use of a cool, silver blue and warm brown color palette—plus materials such as glass, stainless steel and dark wood—pay homage to the river and surrounding industrial environment.

► **OTHER WINNERS**

The Woodshop of Avon Inc., Edina; The Kitchenplan Company, Shoreview

## MICROSILK™

### Some call it the Fountain of Youth

The new MicroSilk™ Hydrotherapy from Jason International, Inc. produces a luxurious cloud of oxygen-rich microbubbles that enter pores, plump the skin and reduce fine lines and wrinkles.

FIRST PLACE

**SMALL KITCHEN**  
(LESS THAN 150 SQ. FT.)

► **DESIGNER**

David Heide, David Heide Design Studio, Minneapolis, 612-337-5060

► **DETAILS**

This kitchen remodel aimed to restore the charm of the home while retaining functionality. Also, the homeowner desired a green approach, so a lot of materials were upcycled: the wood floors were refinished, windows were repaired, and old cabinets were reused. New cabinetry was constructed from local wood.

► **OTHER WINNERS**

Sawhill Custom Kitchen & Design Inc., Minneapolis; The Woodshop of Avon Inc., Edina

**UTILIZATION OF  
 CABINETRY**

► **DESIGNER**

Lynne Stryker, Spaces Into Places Inc.,  
 St. Paul, 651-699-1050

► **DETAILS**

Cabinets in this home office were customized for a built-in look, but remain free standing, should the homeowner decide to relocate the business. The resulting open-toed cabinets still reflect the Art Deco influence of the 1930s home, complete with black and white tiles in the door panels and coordinating yet whimsical knobs.
